

poner me lo y un abito poner me lo y un abito
suen ba son nst pava suen ba son nst pava

Vamos a inventar una historia

Paso a paso

poner me lo y un abito poner me lo y un abito
suen ba son nst pava suen ba son nst pava

Create a story in the past using the 'pluscuamperfecto'.

For example

María había estudiado durante semanas para el examen de matemáticas, pero cuando comenzó la prueba, se dio cuenta de que se había dejado la calculadora en casa.

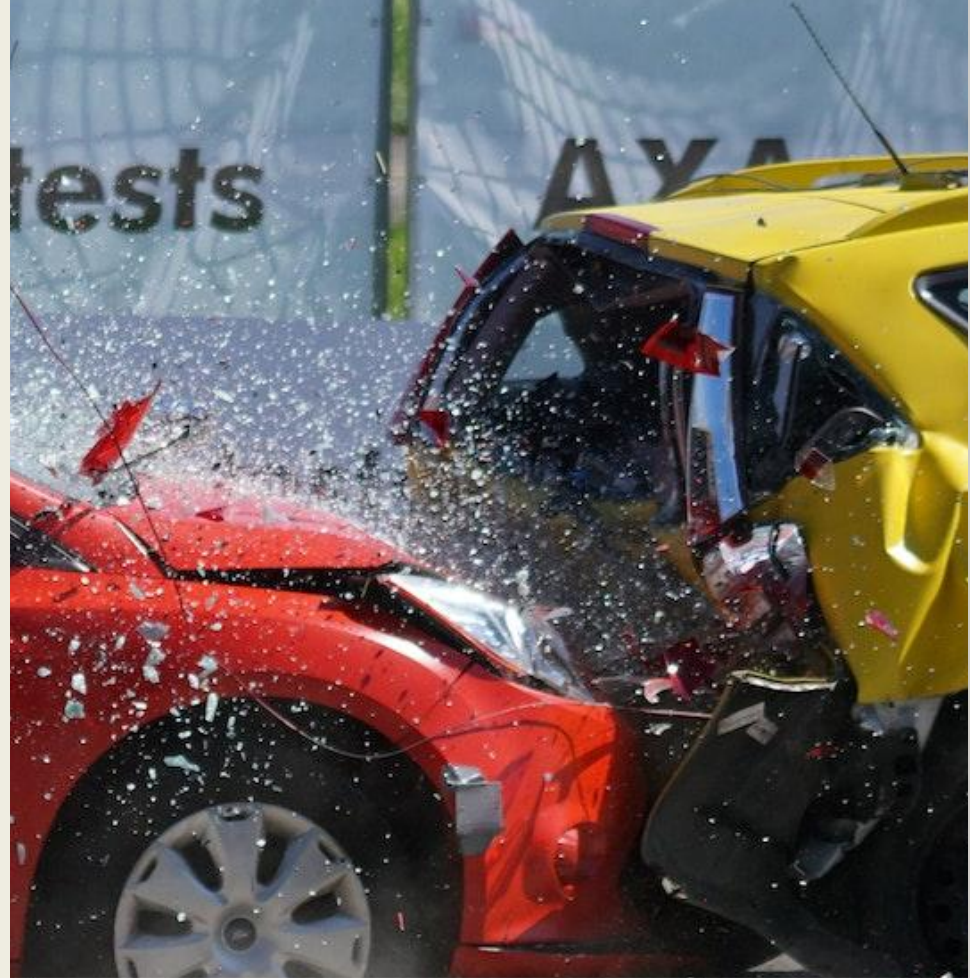

"María had studied for weeks for the math exam, but when the test started, she realized that she had left her calculator at home."

Create a story in the past using the 'pluscuamperfecto'.

For example

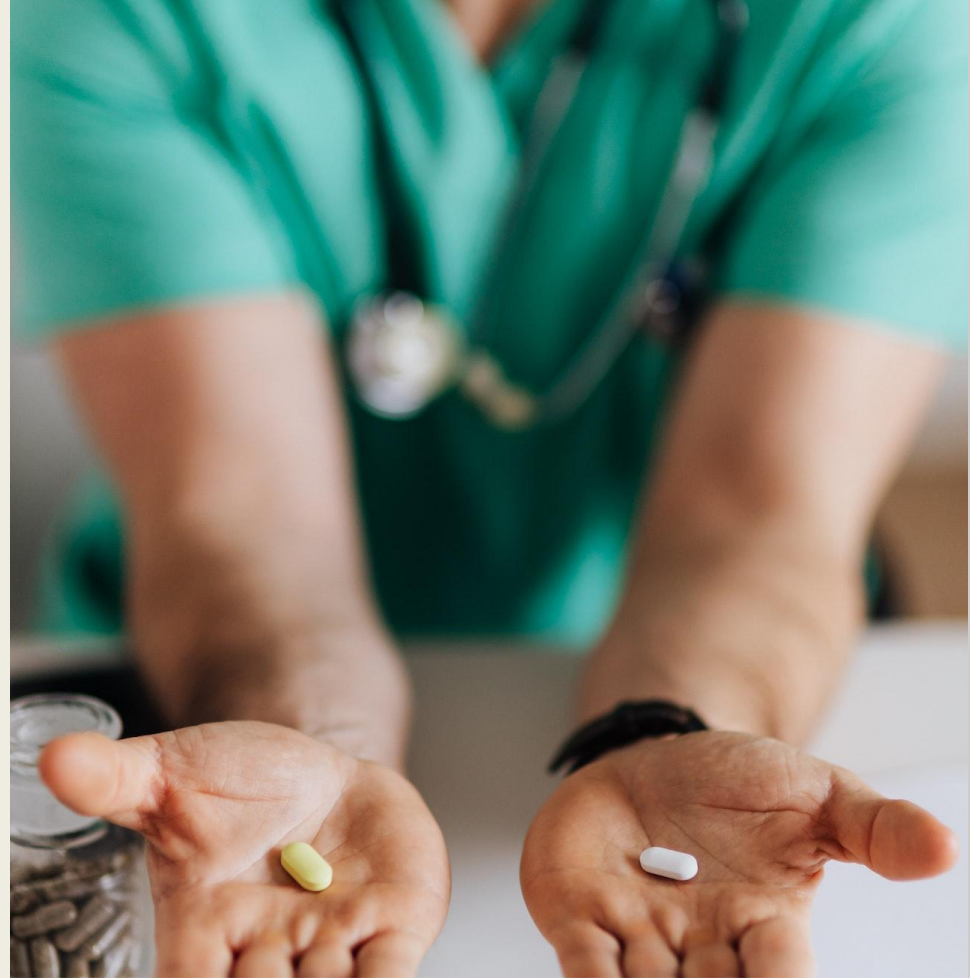

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

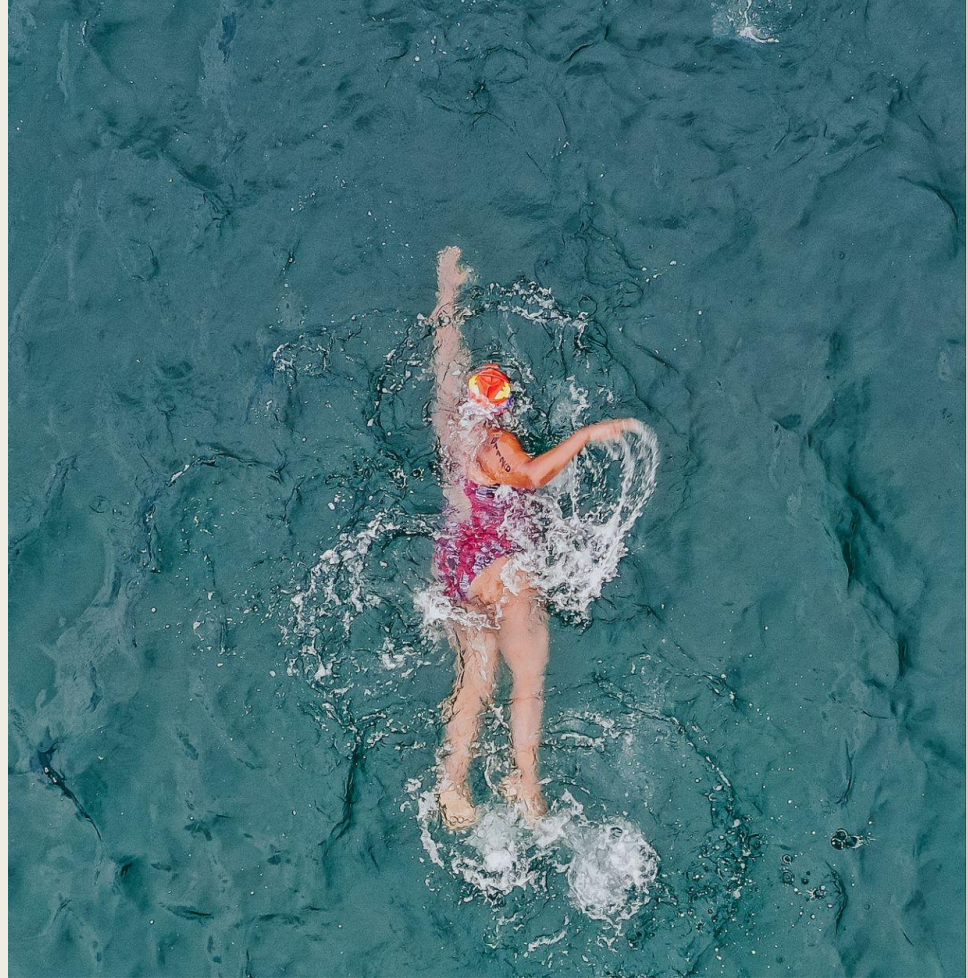

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

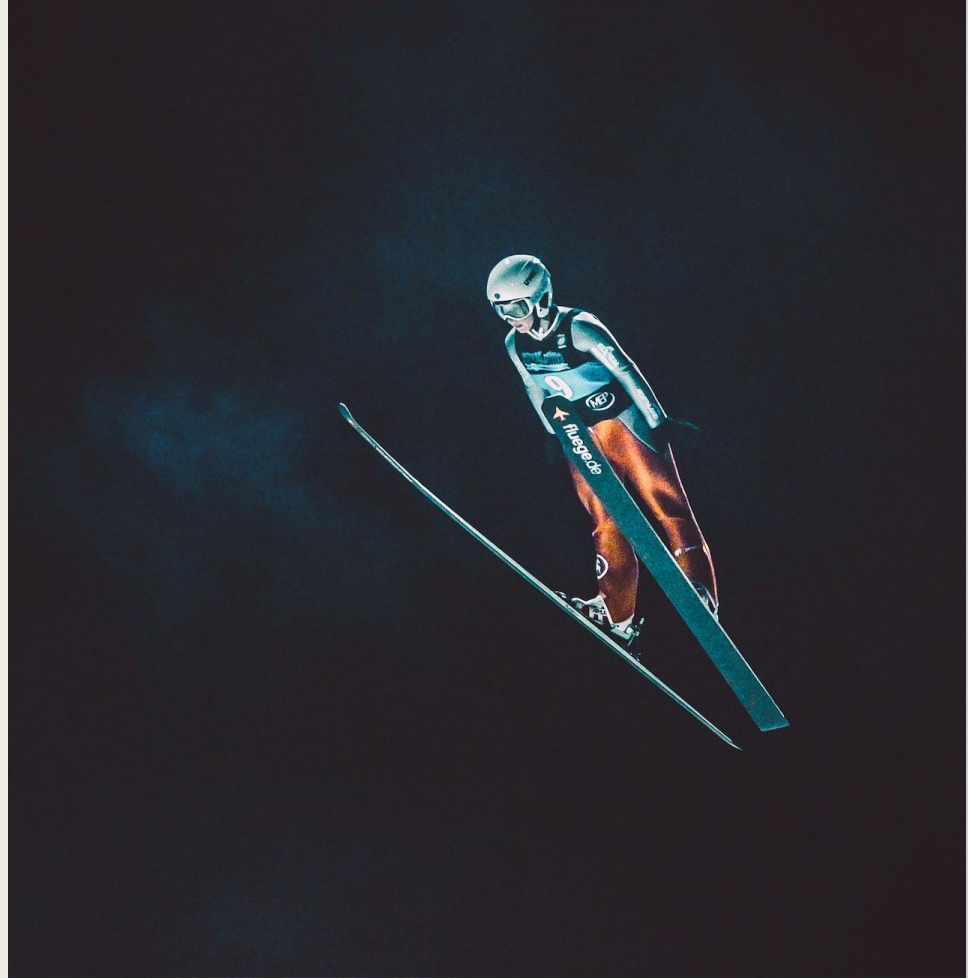

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

Now you have to create a story, good luck

Create a story in the past using the 'pluscuamperfecto'.

For example

Now you have to create a story, good luck
